

Course Schedule

Human Anatomy · Summer 2026

8-week summer intensive, in-person, Team-Based Learning. Meets Monday through Thursday.

SAMPLE DATA, replace dates and topics with your real course

Graded Items and Due Dates

Due Date	Item	Type	Covers	Points
Thu, Jun 18	TBL 1	Team-Based Learning	Week 1	60
Mon, Jun 22	Lab Exam 1	Lab Practical Exam	Week 1	80
Thu, Jun 25	TBL 2	Team-Based Learning	Week 2	60
Mon, Jun 29	Lab Exam 2	Lab Practical Exam	Week 2	80
Thu, Jul 2	TBL 3	Team-Based Learning	Week 3	60
Mon, Jul 6	Lab Exam 3	Lab Practical Exam	Week 3	80
Thu, Jul 9	TBL 4	Team-Based Learning	Week 4	60
Mon, Jul 13	Lab Exam 4	Lab Practical Exam	Week 4	80
Thu, Jul 16	TBL 5	Team-Based Learning	Week 5	60
Mon, Jul 20	Lab Exam 5	Lab Practical Exam	Week 5	80
Thu, Jul 23	TBL 6	Team-Based Learning	Week 6	60
Mon, Jul 27	Lab Exam 6	Lab Practical Exam	Week 6	80
Thu, Jul 30	TBL 7	Team-Based Learning	Week 7	60
Mon, Aug 3	Lab Exam 7	Lab Practical Exam	Week 7	80
Thu, Aug 6	Lab Exam 8	Lab Practical Exam	Week 8	80
Course total				1060

01

Week 1: Onboarding and Foundations

Jun 15 to 18

Monday · Mon, Jun 15

ONBOARDING

LECTURE

- Onboarding

LAB

- Microscopy and Epithelial Tissues

[lab/microscopy-epithelial.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: Intro to anatomy and cell anatomy. Introduction lab: body regions, planes, cavities, and abdominal quadrants. (no link, unlocks after the lecture video)
- Spaced recall: new cards from today's lab

Tuesday · Tue, Jun 16

SUCCESS STRATEGY

LECTURE

- Success activities: How to Study Anatomy, team session

LAB

- Epithelial Tissue

[lab/epithelial-tissue.html](#)

- Connective Tissue

[lab/connective-tissue.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: Tissues. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jun 17

CASE

LECTURE

- Work on your case with your team

LAB

- Muscle Tissue

[lab/muscle-tissue.html](#)

- Nervous Tissue

[lab/nervous-tissue.html](#)

- Blood Cells

[lab/blood-cells.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: Integumentary and skin. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jun 18

TBL

LECTURE

- TBL 1: Intro to Anatomy through Integumentary and Skin

LAB

- Skin and Integumentary
[lab/integumentary.html](#)

DUE Thu, Jun 18 Team-Based Learning: TBL 1 (60 pts) covers Week 1

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jun 19 to 21

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study: practice labeling and study for the exam.

SUNDAY PREWORK

- Bone and bone tissue, bone growth.

SPACED RECALL

- Daily review, every card due today

02

Week 2: Skeletal System

Jun 22 to 25

Monday · Mon, Jun 22

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 1: Intro, Tissues, and Integumentary

DUE Mon, Jun 22 Lab Practical Exam: Lab Exam 1 (80 pts) covers Week 1

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 1. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jun 23

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- Bone Tissue
[lab/bone-tissue.html](#)
- Bone Classification
[lab/bone-classification.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: The axial skeleton. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jun 24

CASE

LECTURE

- Work on your case with your team

LAB

- The Axial Skeleton
[lab/axial-skeleton.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: The appendicular skeleton. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jun 25

TBL

LECTURE

- TBL 2: Skeletal System

LAB

- The Appendicular Skeleton
[lab/appendicular-skeleton.html](#)

DUE Thu, Jun 25 Team-Based Learning: TBL 2 (60 pts) covers Week 2

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jun 26 to 28

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- Joints and articulations.

SPACED RECALL

- Daily review, every card due today

03

Week 3: Joints and the Muscular System

Jun 29 to Jul 2

Monday · Mon, Jun 29

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 2: Skeletal System

DUE Mon, Jun 29 Lab Practical Exam: Lab Exam 2 (80 pts) covers Week 2

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 2. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jun 30

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- Articulations and Joints
lab/joints.html

DAILY PREP, recommended, not graded

- Nightly prework: Skeletal muscle structure. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jul 1

CASE

LECTURE

- Work on your case with your team

LAB

- Skeletal Muscle Structure
lab/muscle-structure.html

DAILY PREP, recommended, not graded

- Nightly prework: Major muscle groups. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jul 2

TBL

LECTURE

- TBL 3: Joints and Muscle

LAB

- Major Muscle Groups
lab/muscle-groups.html

DUE Thu, Jul 2 Team-Based Learning: TBL 3 (60 pts) covers Week 3

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jul 3 to 5

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- Nervous tissue.

SPACED RECALL

- Daily review, every card due today

04 Week 4: Nervous System I

Jul 6 to 9

Monday · Mon, Jul 6

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 3: Joints and the Muscular System

DUE Mon, Jul 6 Lab Practical Exam: Lab Exam 3 (80 pts) covers Week 3

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 3. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jul 7

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- Nervous Tissue
<lab/nervous-tissue.html>

DAILY PREP, recommended, not graded

- Nightly prework: The spinal cord and spinal nerves. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jul 8

CASE

LECTURE

- Work on your case with your team

LAB

- Spinal Cord and Spinal Nerves
<lab/spinal-cord.html>

DAILY PREP, recommended, not graded

- Nightly prework: The brain. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jul 9

TBL

LECTURE

- TBL 4: Nervous System I

LAB

- The Brain
<lab/brain.html>

DUE Thu, Jul 9 Team-Based Learning: TBL 4 (60 pts) covers Week 4

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jul 10 to 12

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- Cranial nerves and the autonomic nervous system.

SPACED RECALL

- Daily review, every card due today

05

Week 5: Nervous System II, Senses, and Endocrine

Jul 13 to 16

Monday · Mon, Jul 13

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 4: Nervous System I

DUE Mon, Jul 13 Lab Practical Exam: Lab Exam 4 (80 pts) covers Week 4

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 4. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jul 14

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- Cranial Nerves and the Autonomic Nervous System
<lab/cranial-nerves.html>

DAILY PREP, recommended, not graded

- Nightly prework: Special senses: the eye and the ear. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jul 15

CASE

LECTURE

- Work on your case with your team

LAB

- Special Senses: Eye and Ear
<lab/special-senses.html>

DAILY PREP, recommended, not graded

- Nightly prework: Endocrine glands. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jul 16

TBL

LECTURE

- TBL 5: Senses and Endocrine

LAB

- Endocrine Glands
<lab/endocrine.html>

DUE Thu, Jul 16 Team-Based Learning: TBL 5 (60 pts) covers Week 5

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jul 17 to 19

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- The heart.

SPACED RECALL

- Daily review, every card due today

06

Week 6: Cardiovascular and Lymphatic Systems

Jul 20 to 23

Monday · Mon, Jul 20

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 5: Nervous System II, Senses, and Endocrine

DUE Mon, Jul 20 Lab Practical Exam: Lab Exam 5 (80 pts) covers Week 5

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 5. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jul 21

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- The Heart
lab/heart.html

DAILY PREP, recommended, not graded

- Nightly prework: Blood vessels. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jul 22

CASE

LECTURE

- Work on your case with your team

LAB

- Blood Vessels
lab/blood-vessels.html

DAILY PREP, recommended, not graded

- Nightly prework: The lymphatic system. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jul 23

TBL

LECTURE

- TBL 6: Cardiovascular and Lymphatic

LAB

- The Lymphatic System
lab/lymphatic.html

DUE Thu, Jul 23 Team-Based Learning: TBL 6 (60 pts) covers Week 6

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jul 24 to 26

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- The respiratory system.

SPACED RECALL

- Daily review, every card due today

07

Week 7: Respiratory and Digestive Systems

Jul 27 to 30

Monday · Mon, Jul 27

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 6: Cardiovascular and Lymphatic Systems

DUE Mon, Jul 27 Lab Practical Exam: Lab Exam 6 (80 pts) covers Week 6

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 6. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Jul 28

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- The Respiratory System
<lab/respiratory.html>

DAILY PREP, recommended, not graded

- Nightly prework: The digestive tract. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Jul 29

CASE

LECTURE

- Work on your case with your team

LAB

- The Digestive Tract
<lab/digestive-tract.html>

DAILY PREP, recommended, not graded

- Nightly prework: Accessory digestive organs. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Jul 30

TBL

LECTURE

- TBL 7: Respiratory and Digestive

LAB

- Accessory Digestive Organs
<lab/accessory-digestive.html>

DUE Thu, Jul 30 Team-Based Learning: TBL 7 (60 pts) covers Week 7

DAILY PREP, recommended, not graded

- Spaced recall: daily review
- Spaced recall: new cards from today's lab

WEEKEND · Jul 31 to Aug 2

WEEKEND PREWORK

- Daily spaced recall cards.
- Self-directed study and exam review.

SUNDAY PREWORK

- The urinary system.

SPACED RECALL

- Daily review, every card due today

08

Week 8: Urinary and Reproductive Systems

Aug 3 to 6

Monday · Mon, Aug 3

LAB EXAM + SUCCESS STRATEGY

LECTURE

- Success Topic
- TBL Self-Analysis

LAB

- Lab Exam 7: Respiratory and Digestive Systems

DUE Mon, Aug 3 Lab Practical Exam: Lab Exam 7 (80 pts) covers Week 7

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 7. (no link, unlocks after the lecture video)
- Spaced recall: daily review

Tuesday · Tue, Aug 4

ACTIVE LEARNING ACTIVITY

LECTURE

- Active learning activity

LAB

- The Urinary System
[lab/urinary.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: The reproductive system. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Wednesday · Wed, Aug 5

CASE

LECTURE

- Work on your case with your team

LAB

- The Reproductive System
[lab/reproductive.html](#)

DAILY PREP, recommended, not graded

- Nightly prework: Final review for Lab Exam 8. (no link, unlocks after the lecture video)
- Spaced recall: daily review
- Spaced recall: new cards from today's lab

Thursday · Thu, Aug 6

LAB EXAM

LECTURE

- Comprehensive review and course wrap-up

LAB

- Lab Exam 8: Urinary and Reproductive Systems

DUE Thu, Aug 6 Lab Practical Exam: Lab Exam 8 (80 pts) covers Week 8

DAILY PREP, recommended, not graded

- Spaced recall: daily review
