

Workbook: Peripheral Nervous System

Week 8 workbook · BIO 004 Human Anatomy · Dr. Sharilyn Rennie · Solano Community College

A comprehensive workbook on the structural and functional organization of the PNS: nerves, ganglia, divisions, and the basic anatomy of peripheral nerve.

How to use this workbook: Read each question carefully and write your answer in the space provided. Work without looking up the answer first. Once you have written your answer, check it against the online workbook by clicking *Reveal* on that question. Star or circle anything you missed and come back to it later in the week.
